

# R & R CONNECTOR

GUILFORD CHILD DEVELOPMENT  
REGIONAL CHILD CARE RESOURCES & REFERRAL  
WINTER 2018

Guilford Child Development, Regional Child Care Resources and Referral, and Single Portal of Entry are excited about implementing the “One Call Now” system. This system will allow us to call you through an automated system and give you information related to the agency such as, trainings, special events, meetings, weather related closings, and updates. This information will only be used for these purposes. Once you opt in, you will begin receiving agency notifications related to these items. You may opt out at anytime. By providing us with your phone number and email address you are consenting to opt in to receive these updates. To sign up for “One Call Now” please contact Victoria Vample at (336) 369-5037

## Are You Winter Ready?

**As we celebrate the holidays, it is also important to take time to be mindful of the precautions that should be taken for winter weather!**

### Here are a few tips:

- ⇒ Check your vehicle’s owner’s manual and find out if it has any safety assistive technology (ex. ABS)
- ⇒ Know the “snow routes” of the local public transit
- ⇒ Make sure to dress in layers
- ⇒ Check your heating system to ensure that it is clean, working properly, and well ventilated to the outside
- ⇒ Know the inclement weather policy of your child’s school and/or childcare center (Check the news daily for unexpected delays or closings)
- ⇒ Don’t forget to bring in your pets from being outside

Great News! Our Newsletter is available online at

[http://guilfordchilddev.org/providers/training\\_newsletters/](http://guilfordchilddev.org/providers/training_newsletters/)

Request for hard copies can be made to Kamara Parker (336) 369-5020

You can also register for trainings online at [www.guilfordchilddev.org](http://www.guilfordchilddev.org)

Or by emailing Kamara Parker at [kamara.parker@guilfordchilddev.org](mailto:kamara.parker@guilfordchilddev.org)
