

About CCR&R

Child Care Resource & Referral (CCR&R) helps link families, child care providers and community partners. The role of CCR&R agencies is to coordinate, collaborate, create and implement services that enhance the quality of child care programs throughout the community.

RCCR&R, located in Greensboro, North Carolina, serves as the Region 11 Lead Agency which includes Guilford, Randolph, and Rockingham counties.

Regional Child Care Resources & Referral (RCCR&R) is a United Way service funded through Guilford Child Development. RCCR&R is dedicated to working with parents, child care providers, businesses and community organizations to help promote the availability of quality child care.

The Randolph and Rockingham County's Partnership for Children, are non-profit organizations, that help to plan, identify, fund and enhance programs and services for young children and families in both counties. Local CCR&R services are funded through these partnerships.

The vision is that all children throughout Region 11 enter and go through school healthy, with all the tools needed to succeed.
