</table>

*All Rockingham County child care administrators in attendance at the Child Care Director’s Luncheon or Family Child Care Home meeting will receive a $5 training credit voucher to be used towards a future workshop.*
1/23/20
Thinking Constructively: Reggio Emilia and the School-Age Classroom
Providing students with a productive and engaging indoor environment is a core ideal of Reggio Emilia pedagogy. Strong indoor classrooms offer school age participants a safe way to ask questions, problem solve, and develop new learning skills. Join other school age professionals as we explore easy and effective methods to bring Reggio Emilia philosophy into the confines of the school age classroom. School age professionals will leave with a stronger understanding of Reggio Emilia practices, and new ways to apply this philosophy to indoor environments.

1/28/20
Emergency Preparedness & Response in Child Care (EPR)
It is very important that every effort is made to ensure your child care facility is prepared and your staff are ready to respond appropriately during a disaster. Participants in this workshop will establish a plan and learn how to be prepared for a variety of emergency situations. This training requires both in class and out of class assignments in which an in-depth emergency preparedness plan is developed. Rules for this training became effective July 1, 2015.

1/30/20
Fire Safety
Participants will learn strategies for prevention of fires, as well as, how to keep children and staff safe in the event of a fire in a child care facility. This workshop meets the requirement for annual fire safety training.

2/10/20
IT’s SIDS
This workshop addresses safe sleep practices and ways to reduce the risk of SIDS; including information on the NC Law regarding safe sleep practices in child care programs. This training meets the licensing requirement for training on SIDS.

2/14/20
Child Care Director’s Luncheon: Maximizing Your Meetings…and Avoiding the Meeting-After-the-Meeting Cycle
Most of us have had the experience of participating in a poorly planned or facilitated meeting...or series of meetings...at least once in our careers. Studies reveal that those who feel most involved and active in meetings rate them as the most successful and gratifying...typically, those individuals are the leaders themselves. Critical and fundamental elements necessary to plan healthy meetings include trust, a willingness to engage in conflict, commitment and accountability to one’s team, and attention to outcomes and results.

2/17/20
Family Child Care Home Meeting: Updates from the Child Care Subsidy Program and the Child & Adult Care Food Program
Join representatives from the Child Care Subsidy Program and the Child & Adult Care Food Program to hear updates and get your questions answered.

2/18/20
Connections Matter™: Developing Brain, Relationships and Community
WHAT IS THE MOST IMPORTANT BRAIN BUILDER? RELATIONSHIPS!
That’s why Connections Matter, whether we are thinking about our children or grandchildren, friends and family, our community or our own well-being. In this workshop, we demonstrate how ACEs adversely affect brain development and health outcomes and how caring connections serve as a primary buffer in the negative effects of trauma.

2/20/20
Trauma Informed Practices in Early Childhood Education: Fostering Resiliency
Teachers can play a critical role in building resilience in young children who have had adverse childhood experiences. Come learn strategies to transform your classroom through trauma-informed practices.

3/3/20
Strengthening Attachment, Attunement & Social Play
It can be hard to find the one-on-one time necessary to create meaningful relationships in a childcare setting. Yet research shows optimal child development is dependent on healthy relationships with adults. Come learn how Baby Doll Circle Time® can make that possible as children relive moments with you while delighting in circle time with their baby dolls.

3/12/20
“Wait! Shouldn’t that be Confidential?”
Knowing what should and should not be shared regarding children and families can be tricky. Come learn the difference between confidentiality and the HIPPA Law so that you can protect the children you serve.

3/14/20 & 3/24/20
When Books POP off the Paper: Building Social Emotional & Early Literacy/Writing Skills
Books are standard materials in most classrooms, but are we getting the most out of them? How intentional is our choice of books, the way we read books, and the way we expand children’s learning through books? In this session we will discuss how building literacy skills (including emotional literacy) is critical for young children, define best practices in early literacy and writing, explore books, and take home activities that you can immediately begin using! Participants must attend Part 1 & 2.

3/30/20
Understanding Monitoring and Developmental Screening
Have you ever been approached by a parent that had concerns about their child's development? Have you ever struggled with talking to a parent when you had concerns about their child’s development? Participants will learn the difference between developmental monitoring and developmental screening, why each is important in supporting children birth to five, how to communicate effectively with parents and how to assist them through the referral process.
Pre-registration by the published deadline is required for all Early Education Services (EES) workshops whether there is a fee or not. We suggest that you call our office to ensure that enough spaces are available in the workshop that you would like to attend prior to sending payment. **Spots cannot be reserved without payment. Therefore, your registration is not confirmed until payment is received.** There are several options for registering for workshops:

- Call Cynthia Langston at 342-9676 ext. 201 or April Cox at ext. 207 and pay with a credit card.
- Fax in the registration form with credit card payment information to 342-9962.
- Drop by our office at 7572 NC Hwy 87, Reidsville, during business hours to pay with cash, check, money order, or credit card. RCPC is not able to keep cash on hand so you must provide correct change when cash is used to pay for workshops.
- Mail this registration form along with check, money order, or credit card payment information to:
  
  RCPC  
  Attn: Workshop Registration  
  P. O. Box 325  
  Wentworth, NC 27375

**Returned Checks** - In the event a check is returned for insufficient funds, RCPC will charge a return-check fee based on the fee charged to RCPC by the bank. This fee and the check amount must then be paid in cash or with a money order. No further checks will be accepted from the individual or business until the charges have cleared.

**Registration Deadlines** - Training registration deadlines are one week prior to the workshop unless otherwise noted. Payment must be received by 5:00 pm on the deadline. Registrations will not be accepted after the deadline. The minimum number of participants required to hold a workshop is typically 1/2 of the maximum capacity. If registration does not meet this requirement by the deadline, the workshop may be cancelled and credit for a future workshop will be issued to those registered.

**Training Credit Vouchers** – If using a training credit voucher, the original voucher must be presented at the time of registration. Vouchers can be hand delivered or mailed to RCPC. Faxed copies of vouchers cannot be accepted. Vouchers will not be accepted after their expiration date. Facilities are welcome to use the voucher towards any staff members’ registration.

**Waiting List** - If a workshop is full prior to the registration deadline, a waiting list will be created. If cancellations are made, we will contact individuals on the waiting list in the order their registrations were received to offer a slot in the workshop. Anyone enrolled in a workshop from the waiting list will have 24 hours to pay the registration fee to confirm their space.

**Registration Cancellations** - Individuals who are registered for workshops and need to cancel their registration must call our office by 12:00 pm on the day of the training in order to receive a credit for future workshops. No refunds will be given.

**Late Arrivals** – Plan to arrive a few minutes prior to the workshop’s start time to allow time for registration. Participants arriving more than 15 minutes late or leaving more than 15 minutes early will not be given credit.

**Child Care** - Child care is not provided at our workshops. Because it is inappropriate to expect young children to sit quietly through workshops designed for adults, individuals who bring children with them to training will not be admitted and no refund or credit will be given.

**Training Locations** - Workshop locations vary. It is the participant’s responsibility to ensure that they get to the proper location on time. Most training’s are held at the following locations: Rockingham Community College ADT – Advanced Technologies Bldg. (bldg. with computer lab/auditorium), the Agricultural Extension Office or the Rockingham County Partnership for Children Conference Room.

**Materials Given** - On occasion, professional resources or classroom materials may be given to participants as door prizes or as a part of participation in the session. It is the perspective of the Early Education Services (EES) that the materials should belong to the person or organization that paid the registration fee. In the event that the facility paid the fee, the materials should be made readily available for use by the staff person(s) who attended the session.

**Certificates** - Always keep a copy of your certificates for your own records in addition to giving one to your employer. There will be a $5 fee for RCPC staff to provide a replacement certificate for trainings attended within the last year only.

**Inclement Weather** – If Rockingham County Schools are closed due to inclement weather on the same day that a workshop is scheduled, the workshop will be postponed and rescheduled later.
