COURSE DESCRIPTION

Redirecting children's behavior is a proactive teaching strategy that can be used to help with classroom management and can allow an early educator to divert a potentially challenging behavior or stressful situation into a more peaceful or an acceptable behavior. When used with other proactive strategies these can be powerful teaching tools to assist with managing your classroom.

THE POWER OF REDIRECTION

**INSTRUCTOR: KAREN DARBY
DARBY.KAREN@SWCDCINC.ORG
(704)641-7550
[HTTP://WWW.SWCDCINC.ORG](http://www.swcdcinc.org)**

To earn the course certificate, participants must log in and work through course software using their own email address, respond to interactive questions in software, and pass a post knowledge assessment with a score of 90% or higher with unlimited attempts allowed.

Southwestern
**CHILD DEVELOPMENT
COMMISSION**

Participants attending this learning event will be able to list the potential benefits of using redirection as a strategy for managing challenging behavior, identify the different types of redirection, and match the appropriate type of redirection to common classroom situations that may occur.

The instructor has no proprietary interest in the design, development, or marketing of this learning event.

Technology needs required:
Electronic device with internet connection
Electronic device with audio & ability to watch/listen to a video
Ability to enter a typed response
PDF reader
Ability to send/receive email.
Each participant must register with a unique email address
Email addresses can not be shared.

THIS TRAINING IS APPROVED BY THE NC DIVISION OF CHILD DEVELOPMENT AND EARLY EDUCATION.
